

Terms and Conditions of the Competition "IPN Search Engine Algorithm Concept - An Innovative Knowledge Base on Recent Polish History"

§ 1 General provisions.

1. Terms and Conditions of the Competition "IPN Search Engine Algorithm Concept - An Innovative Knowledge Base on Recent Polish History" (hereinafter referred to as the "Rules") define the terms and conditions of participation in the "IPN Search Engine Algorithm Concept - An Innovative Knowledge Base on Recent Polish History" Competition (hereinafter referred to as the "Competition") by the participants of the HackYeah event which will be held on the competition platform between 10-12.12.2021 (hereinafter referred to as the "Hackathon"), as well as the rules of the Competition and the principles of awarding prizes and transferring copyrights by its winners.
2. The Competition will be held as part of the Hackathon event "HackYeah powered by GovTech", which is organised by PROIDEA Sp. z o.o. with its registered office in Kraków (address: Zakopiańska 9 Street, 30-418 Kraków), (hereinafter referred to as the "Hackathon Organiser"), registered in the Register of Entrepreneurs of the National Court Register kept by the District Court for Kraków Śródmieście in Kraków, XI Commercial Department of the National Court Register under KRS number: 0000448243, company ID number REGON: 122769022, tax identification number NIP: 679-308-88-42, which can be contacted via e-mail address: kamila.post@proidea.org.pl. The event is organised in the formula "powered by" by GovTech Poland with its registered office in Warszawa (00-583), Ujazdowskie 1/3 Avenue.
3. The partner of the task, within the meaning of the terms and conditions referred to in clause 4, and promising the award as defined by art. 921(3) of the Act of 23 April 1964 on the Civil Code (Journal of Laws of 2020, item 1740, as amended), is the State Treasury represented by the Institute of National Remembrance - Commission for the Prosecution of Crimes against the Polish Nation with its registered office in Warszawa, Janusza Kurtyki 1 Street, 02-676 Warszawa, NIP: 525-21-80-487, REGON: 016365090, hereinafter referred to as the "IPN".
4. To the extent not regulated in these Rules, the provisions of the Hackathon regulations, which is "TERMS AND CONDITIONS OF HACKYEAH 2021 POWERED BY GOVTECH", published on the website www.hackyeah.pl shall apply.

§ 2 Duration of the Competition.

1. The Competition will commence at 18:00 on 10 December 2021 and finish 40 hours later, that is at 10:00 on 12 December 2021.
2. In case of solving the Competition task by all Participants (hereafter collectively understood as individual Competition Participants or Competition Participants - Team members) before the end of the scheduled time, IPN reserves the right to early termination of the Competition.

§ 3 Terms and conditions of participation.

1. The aim of the Competition is to prepare the "IPN Search Engine Algorithm Concept - Innovative Knowledge Base on Recent Polish History", meeting the criteria referred to in § 5, clauses 8 and 9 (hereinafter referred to as the "Task").
2. The completion of the competition task must not be contrary to the law, use prohibited content or violate the rights of third parties.
3. Competition Participants undertake to perform the Task with due diligence and in close cooperation with the Mentors referred to in § 5 clause 11, and with IPN.
4. Competition Participant may be a natural person, a participant of Hackathon, present remotely or stationary, who on the day of its beginning is at least 18 years old and has full legal capacity.
5. Participants may take part in the Competition individually or in Teams of no more than 6 persons.
6. Participation in the Competition is voluntary.
7. Participation in the Competition is possible remotely or stationary, through a dedicated website.

8. Participation in the Competition is subject to registration in the Hackathon as specified in the terms and conditions referred to in § 1 clause 4 of the Rules.
9. IPN provides unlimited number of places for the Competition Participants. IPN reserves the right to limit the number of places for logistical reasons, without giving reasons.
10. IPN does not provide Competition Participants with computer stations or laptops.
11. Competition Participants must not, under pain of immediate exclusion from the Competition, attempt to gain access to the content of the Task before the Competition begins.
12. Vulgar behaviour by Competition Participants towards others is not allowed.
13. Participation in the Competition is tantamount to acceptance of the Rules by the Competition Participant and an obligation of the Competition Participant to comply with them.
14. IPN has the right to exclude the Competition Participant if he/she violates the provisions of the Rules, the terms and conditions referred to in § 1 clause 4, or if there is a suspicion that the Competition Participant has violated the applicable law. In case of suspicion of violation of law by the Competition Participant, IPN will inform about this event law enforcement agencies as well as the Hackathon Organiser, if such an obligation will arise.

§ 4 Course of the Competition.

1. The Competition consists in solving a Task that will be presented by IPN on the website www.hackyeah.pl. The Task will be made available to the Competition Participants at 18:00 on the day the Competition commences, that is on 10 December 2021. After 38 hours from the commencement of the Task, namely at 8:00 am on Sunday, 12 December 2021, the channel dedicated to the Task on the Discord platform will provide input data that will allow verification of the effectiveness of the created solution.
2. The moment before the commencement of the Competition is the ceremonial opening of the Competition by the representative of IPN. Only then will the Competition Participants be able to familiarise themselves with the content of the Task as well as start solving it.
3. Having familiarised themselves with the topic of the Task, Competition Participants have a maximum of 40 hours to solve it within the period referred to in § 2 clause 1.
4. The Task will be conducted in an open format (there is no single correct solution).
5. Draft solutions of the Task submitted by Competition Participants will be passed to the IPN for evaluation no later than 10:00 am on 12 December 2021, via the Challenge Rocket platform.
6. Draft solutions of the Task may also be prepared in English.

§ 5 Rules for evaluating the Competition Task.

1. Prizes in the Competition will be awarded to those Participants whose solutions of the Competition Task will be assessed the highest by the Jury.
2. The Jury will be appointed by the IPN, and it will consist of IPN representatives as well as external experts. The composition of the Jury will be published on the Hackathon website (www.hackyeah.pl) at the latest on the day the Competition will commence.
3. The tasks of the Jury include, in particular, selecting the winners of the Competition and deciding on awarding the prizes.
4. The Jury, before proceeding with the assessment of the task, will elect from among its members a President of the Jury, provided that this will be one of the IPN representatives.
5. Decisions of the Jury will be taken by a simple majority of votes. In case of an equal distribution of votes, the decision of the President of the Jury shall prevail.
6. The decisions of the Jury are binding and final.
7. The Jury evaluates the solutions to the Competition Task submitted by the Participants in two stages.
8. During the first stage, the Jury will consider the following evaluation criteria:
 - 1) the possibility of entering a list of input data in the form of a file or form,
 - 2) scanning the Internet for links as specified in the Task,
 - 3) parameterisation of queries,
 - 4) verifiability of results based on the indication of the source of information,
 - 5) exporting results to an external file.

9. Solutions fulfilling the criteria referred to in clause 8 will, during the second stage, be evaluated using a point scale 0 - 100, considering the following assessment criteria:
 - 1) effectiveness of the algorithm (0-40 points),
 - 2) interface and ergonomics (0-20 points),
 - 3) algorithm configurability and parameterisation (0-15 points),
 - 4) presentation of results (0-10 points),
 - 5) innovativeness of the solution, including additional functions not indicated in the requirements, which significantly influence functionality (0-15 points).
10. The scope of the Competition Participants' knowledge in the field of history is not subject to evaluation by the Jury.
11. During the Competition, the work of the Participants will be observed by Mentors appointed by IPN, serving as personal sources of knowledge in the area of the issue presented in the Task. The Jury may consider the opinion of the Mentors when formulating the verdict and decision on awarding prizes.

§ 6 Adjudication of the Competition and award of prizes.

1. The Competition will be resolved on 12 December 2021 at 6 p.m. Information on the results of the Competition will be posted on www.hackyeah.pl and www.ipn.gov.pl.
2. In addition, the winners of the Competition will be notified of the results by e-mail (to the e-mail address given in the Competition application form).
3. A maximum of 3 winners will be selected in the Competition. Winners of the Competition can be individual Participants or Teams.
4. The order of the winners will be determined based on the sum of points obtained during the second stage of evaluation. If at least 2 Competition Participants will obtain the same number of points, the order will be determined by the President of the Jury.
5. The prizes in the Competition are:
 - 1) for the 1st place - PLN 30,000 gross,
 - 2) for the 2nd place - PLN 20,000 gross,
 - 3) for the 3rd place - PLN 10,000 gross.
6. IPN reserves the right to cooperate with the 1st place winner in implementing the system for IPN purposes, under a separate agreement. If such cooperation will not occur, the IPN reserves the right to cooperate with subsequent prize-winners.
7. IPN reserves the right not to award 1st, 2nd or 3rd prize due to the lack of a project meeting the criteria. Appropriate information about this fact must be included in the minutes of the Jury's work.
8. IPN may award distinctions to selected Competition Participants. Distinguished Competition Participants may receive awards from the Hackathon Organiser under the terms and conditions referred to in § 1 clause 4.
9. The amount of the prizes referred to in clause 5 will be reduced before payment by the flat-rate income tax of 10% of its value, pursuant to the provisions of the Act of 26 July 1991 on Personal Income Tax (Journal of Laws of 2021, item 1119, as amended).
10. In case when any of the prizes specified in clause 5 will be gained by the Team, referred to in § 3 clause 5, the prize will be paid to individual Participants of the Competition - members of the Team, in proportion to their contribution to the overall work, as unanimously indicated by the whole Team. In case of disagreement between the Competition Participants - members of the Team as to the contribution of individual Competition Participants - members of the Team in solving the Task, the prize will be divided and paid to each of the Competition Participants - members of the Team, to the bank accounts indicated by them, in the amount constituting the quotient of the prize amount and the number of persons composing the awarded Team.
11. Prizes can be awarded to the Competition Participants who score at least 50% of the maximum number of points as specified in § 5 clause 9, i.e. 50 points.
12. The cash prizes will be transferred to the bank accounts indicated to the Hackathon Organiser by the winners, within 21 calendar days from the date on which the condition referred to in clause 1 will be fulfilled, from the Hackathon Organiser's account.
13. The tax settlement referred to in clause 9 in relation to prizes gained in the Competition will be made by the Hackathon Organiser.

§ 7 Copyrights.

1. Pursuant to the conditions laid down in clause X "Copyrights" of the terms and conditions referred to in § 1 clause 4, and pursuant to art. 921(3) of the Act of 23 April 1964 on the Civil Code, the winners of the Competition, who have been awarded prizes referred to in § 6 clause 5, upon payment of these prizes transfer in favour of the State Treasury represented by the Institute of National Remembrance, the proprietary copyrights to the works forming the solution to the Task constituting the object of the Competition, under the conditions specified in point X "Copyrights" of the terms and conditions, referred to in § 1 clause 4.
2. Participants guarantee that the tasks completed during the Competition will be of their authorship or co-authorship (in the case of teamwork) and will not violate any rights of third parties.
3. Participants grant IPN permission to use any photographs showing the works created during the Competition for internal and publicity purposes, including on IPN websites.
4. Participants shall be liable to IPN for any legal defects in the work they have co-authored, and in particular for any potential claims of third parties resulting from infringement of copyright and other rights of such parties. Should such claims be brought against IPN, Competition Participants undertake to settle them in full and to indemnify IPN against any liability.
5. Once the work has been submitted for evaluation by the Jury, the Competition Participants grant for their project presentations the Creative Commons CC BY-SA 4.0 (Attribution-ShareAlike 4.0 International) license for works that are not software.
6. The event will be registered by IPN and the Hackathon Organiser in the form of photographs and audio-visual materials. The Institute of National Remembrance is entitled to use these photographs and audio-visual materials for purposes related to the statutory activities of the IPN, in particular through the publication of the above on its own website, in social media and its own information channels, without limitation in time and space.
7. The prize on behalf of the Promisor will be paid by the Hackathon Organiser.

§ 8 Personal data.

1. Personal data of the Competition Participants will be processed pursuant to Article 6(1)(b) (processing is necessary for the performance of a contract, i.e. the Terms and Conditions of the Competition "*IPN Search Engine Algorithm Concept - An Innovative Knowledge Base on Recent Polish History*"), (c) (processing is necessary for compliance with a legal obligation) and (e) (performance of a task in the public interest - Article 53(5) of the Act on IPN-KŚZpNP) of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation), hereinafter referred to as the "GDPR".
